Dated: 18 Jan 2024

Occupancy Certificate

I do hereby certify that the "Ashiana Amantran Phase II" (Building Block No. B-09) and Club House" situated at Khasra Nos. 180, 182 to 187, 189 to 196 situated at Village- Keshopura, Ajmer Road, Tehsil- Sanganer, Distt. Jaipur, Rajasthan of residential group housing project owned and developed by Ashjana Housing Limited for which completion certificate was issued by Biswajit Sengupta, Registration No. CA/75/886 (undersigned) has been inspected by me. It is certified that:-

1. The firm has applied for drinking water to PHED, Jaipur in accordance with PHED notification dated 24 Apr 2023. The drinking water is presently provided through water tankers.
2. The Electricity connection from JVVNL, Jaipur has been achieved.
3. The Sewerage Treatment Plant has been constructed and operational at site.
4. That, the building is completed for occupancy and architectural finishing like Paintings, False ceiling, Interior, Site development, Parking signages, landscaping and plantation.

It is certified that the building is complete for occupancy. Hence the Occupancy Certificate is issued under my signature on 18 Jan 2024.

Signature:

Renewal date of Reg. No. CTP RAJ:- 20 Dec 2023

Note-

- Occupancy Certificate must be issued after confirmation of Construction of Building as per Latest approved Building Plans of the Project. Parameters approved in Building plans and available on site must be filled in the concerning columns.
- Empaneled Architect must ensure all applicable provisions as per building byelaws and other related Norms complied in the Project.
- Empaneled Architect must ensure that all the Development works of the Building blocks as mentioned in Table "E" and Outer Development Works as mentioned in Table "F" must be completed 100% and accordingly Status of development work shall be filled as "YES" in the concerning columns before issuing Occupancy Certificate.
- Empaneled Architect must ensure that all the NOC's and Certification (as applicable) must be obtained before issuing of Occupancy Certificate.
- If any provision is not required as per Latest approved Building Plan and Norms then write 'NA' for Not applicable in the concerning columns.
- If there are deviations on site from latest approved Building Plans, then Revised maps needs to be approved from the Competent Authority before issuing of Occupancy Certificate. Building plans need not to be revised if there are Deviations like Elevational treatment, Minor changes in structural elements

which do not disturb the parking placements, Common areas, allotted units and by such internal changes and GBUA and FAR/BAR of the project are not changed.

- 7. Cross-signatures/Self-attestation are required to be done on every page of the Checklist.*
- 8. If the Technical parameters of the project (as per Table A, B, C & D) are not as per Latest approved Building Plans, any of the Development works (as per Table E, F & G) are not completed in all respect i.e. 100% and all the NOC's and Certification (as applicable) are not obtained, then, Occupancy Certificate shall not be issued, otherwise such Occupancy Certificate will be treated as Invalid.*
- 9. If Occupancy Certificate is issued on the basis of wrong facts, then, Govt. may cancel the registration/empanelment and take necessary action against the Architect and Occupancy Certificate will be considered as invalid.*
- 10. If for any reasons, Occupancy Certificate becomes Invalid, then, fee deposited for CC shall be forfeited and will not be adjusted/refunded in future.*
